

## **PRIVACY POLICY**

### **Welcome to the Jacobs Vehicle Systems Web Site**

Thank you for taking an interest in our company and products. Jacobs Vehicle Systems respects your privacy and is sensitive to privacy issues concerning the information you provide to us through the use of our website. This Privacy Policy describes what information we collect, and by accessing our site, you agree that you have read and understand this Privacy Policy and consent to the privacy practices described in this policy.

### **Use and disclosure of personal data**

Jacobs Vehicle Systems does not sell your personal information. Any personal data that is collected by Jacobs Vehicle Systems will be used to process your inquiries. To ensure you receive the best service possible we may forward your information to authorized Jacobs Vehicle Systems employees for follow-up.

### **Anonymous Data Collection**

You can visit the Jacobs Vehicle Systems web site without telling us who you are. We only learn the name of your Internet service provider, the web site from which you visited us, and the pages that you access at our site. This information is analyzed for statistical purposes but, as an individual user, you remain anonymous in this process.

### **Collection and Processing of Personal Data**

No personal data will be collected on you unless you specifically provide us with it, for instance the contact form for technical instance. Jacobs Vehicle Systems may collect information in connection with your use of the site. This information helps us to improve the site, products, materials and opportunities that we feature or describe on the site, and to more effectively and efficiently respond to both current and future inquiries.

We may also use "cookies" (small text files stored on your computer) to help track and customize your access and use of the site. Cookies track the pages you visit within our web site, allow web pages to load faster and improve your online experience. This tracking is required to determine the effectiveness of our navigational structure for users to easily access that information. Our cookies cannot read data off your hard drive, read cookie files created by other web sites or track any personal information about you. Most internet browsers allow you to erase cookies from your computer hard drive, block all cookies or receive a warning before a cookie is stored. Information on how to delete and/or manage cookies can be found using your browser help feature. However, if you reject cookies, some functionality on this site may be limited.

### **Protection of Information**

Jacobs Vehicle Systems takes actions to secure and protect information transmitted via or stored on our site. However, no security system is impenetrable and we cannot guarantee the information supplied to our site is completely secure.

**Linked Sites**

For your convenience, some hyperlinks are posted on the site that link to other web sites that we do not control. We are not responsible for the privacy, quality, accuracy, or security of sites we do not own. We encourage you to seek out and read the privacy policy of each web site that you visit.

**Your right to information**

We do not require you to communicate with us electronically. Feel free to call us or mail us a letter, if you prefer. You also can contact us to ask that a customer service representative call you.

**Acknowledgement** YOU ACKNOWLEDGE THAT YOU HAVE READ, UNDERSTAND AND CONSENT TO THE PRIVACY PRACTICES DESCRIBED IN THIS PRIVACY POLICY AND AGREE TO BE BOUND BY THE TERMS OF USE REFERENCED HEREIN.

**Changes to Privacy Policy**

We reserve the right to change our privacy practices when necessary due to changes in relevant and applicable legal or regulatory requirements, our business practices, or in our attempts to better serve your needs. Notice of such changes to our privacy practices will be given in the manner described in the revised Privacy Policy that will be posted at this location.
